The National Organization for Women (NOW) is the largest organization of feminist activists in the United States. NOW has hundreds of thousands of contributing members and more than 500 local and campus affiliates in all 50 states and the District of Columbia. Since its founding in 1966, NOW's goal has been "to take action" to bring about equality for all women.

Central Phoenix • Inez Casiano NOW is meeting Sept. 17th to discuss how to build a better Phoenix for all women. We need to hear from you! As we gear up for the upcoming legislative session, NOW wants to make sure our actions are inclusive of all women, we each have our own story. Please join us Sept. 17th to share your experience and ideas with Central Phoenix • Inez Casiano NOW as we continue the fight for equality.
